

Wenatchee Columbia Chorale

Music Director/Conductor

JOB DESCRIPTION

- Stewards rehearsal times throughout the season to maximize and prioritize both basic learning of music and musical interpretation.
- Responsible for music selection and works in collaboration with the board for concert scheduling.
- Retain and further cultivate good community relationships with artists and other art organizations with a creative eye toward frequent artistic collaborations.
- Intentional cooperation with the board in recruitment and building of the overall membership.

QUALIFICATIONS AND SKILLS

- Bachelor's degree (minimum) in a music related field
- Proven experience working as a choral director, minimum five years
- Expertise in the skill of conducting (ie: professional growth courses, post baccalaureate degree programs)
- Good verbal and written communication skills
- An aptitude for collaboration with people and organizations
- A broad range of appreciation for various styles of choral music

EXPECTED OUTCOMES

- Musical growth experienced by both individual and group, through performances of diverse repertoire in language, style, culture, composer, and historic periods.
- Further development of choral expression and connection with audiences.
- Creating a self-replenishing environment of good musicians resulting from consistent great musical experiences by both audience and participants.
